THE UPHAM

Welcome to the Upham Hotel

Thank you for choosing to stay with us at the Upham Hotel, the oldest continuously operating hostelry in Southern California.

In 1871, travelers to Santa Barbara came by horseback, carriage or steamship to enjoy the beautiful surrounding and **“healthful climate” and stayed in “a New England-style boarding house featuring the best accommodations in town”**. Today, completely restored and refurbished, the Upham is still offering traditional hospitality in a lovely garden setting reminiscent of gentler times.

This directory presents many of the services and activities available at our hotel and in picturesque Santa Barbara. Our staff is happy to offer you assistance in discovering Santa Barbara, offering directions and dining recommendations and making reservations.

Please call on me if there is anything you need to make your stay more comfortable. We hope you have an enjoyable visit and look forward to your return soon.

Warm regards,

Denise Spain
General Manager
